

## **JOHN MCSWEENEY BIO**

*I am passionate about seeing people reach their full potential.*

I am 55 years old and have been married to a lovely wife Lydia Rose for 20 years. I am the proud father of four amazing children.

I have worked in the building industry most of my working life, apart from a few years overseas. I have expertise in all aspects of building and continue to work for a building company in an advisory capacity. I also spent two years overseas and visited thirty different countries. These were mostly impoverished third world countries where I met and encouraged people in all spheres of life.

I have always had a passion for the underprivileged and continue to focus on working and developing life skills in people. I support thirteen overseas community workers who are leaders in their communities working with the underprivileged. I have undertaken a personal study of nutrition and have learned the value of real wholesome foods. I have also learned the value of how to naturally detoxify and recover the body to enable the body to function at its fullest potential.
